Celebrating the Bristol Central Class of 2020

Congratulations to the Bristol Central Class of 2020. Our seniors have worked hard, and they deserve to be recognized for their accomplishments. Although a traditional graduation ceremony is not possible due to the pandemic, we have created ways to celebrate our seniors. The guidance on public gatherings remains as previously outlined, is still limited to five people.

The first event to recognize our Seniors will begin on Tuesday as when we will deliver Class of 2020 t-shirts to Seniors and lawn signs to those who purchased them from the Grad Party Committee. We anticipate delivery to take 2-3 days. Updates on routes and expected delivery days will be emailed to students and parents and posted on social media.

The Graduation Processional on Memorial Boulevard is scheduled for 6:30pm on Tuesday June 9th. Parents are invited to drive their students and families up and down the Boulevard for our staff and administration to see them one more time before they officially graduate on June 17th. We encourage you to decorate your cars with our school colors and signs identifying your graduate. For families of dual households, two cars will be allowed. Parents and students are reminded that they must remain inside their vehicle at all times during the procession to protect the health and well being of all participants. It is important to note that this event is not open to the public. We are looking forward to seeing our students again and celebrating their accomplishments.

We are expecting our Cap and Gown Delivery on Monday, June 8th. This creates a very tight timeline for their distribution and scheduling our graduation program. We ask for your patience during this process.

Seniors and families will be scheduled to rotate through a drive-through graduation ceremony on Wednesday, Thursday and Friday, June 10th through 11th. (Subject to change if delivered earlier!) Wearing their cap and gown, each student will receive their diploma cover, get a photo taken, and be cheered on by administration with appropriate social distancing. On June 17, 2020 we will air the entire graduation ceremony from a link on our website. That link will also be shared with parents via email and text. It will be different from a traditional commencement with the whole class together. However, everyone will have a chance to be honored in front of their families, see the teachers who have supported them, and be at their school one last time.
Arrangements are also being made to collect textbooks, ChromeBooks and other school property. More specific and detailed information/directions will be sent as we get closer to each event.

We hope you are all safe and healthy. Have a wonderful Memorial Day Weekend.
